PIRON Global Development is a consultancy specialized in the field of international development cooperation and foreign policy advice. Our clients are engaged in fostering sustainable development for the betterment of all and our planet earth. We are offering a harmonious triad of sound advice, tailor-made capacity building and efficient management. Depending on the specific needs of the commissioning organization, PIRON develops ideal solutions in listening carefully to our clients and their respective requirements.

In line with our values, PIRON is a premium service provider for faith-based development organizations, governments as well as social and environmental businesses. We believe in shared responsibility for our planet earth, respectful and humble engagement with each other, dignity for all, solidarity with the most vulnerable as well as leadership that serves these values.

OUR SERVICES

PROCESS AND PROJECT MANAGEMENT

We advise and capacitate our clients in efficient and context-sensitive management of processes and projects. We offer operational and event management and second highly qualified project managers for efficient implementation of programs, ongoing communication and multi-stakeholder processes.

FUNDRAISING/ RESOURCE MOBILIZATION

We support our clients in obtaining the necessary resources to fulfill their institutional and intentional purpose. We conceptualize and implement fundraising strategies regarding private and public sources. Our broad network in the international donor landscape enables us to provide excellent strategies in resource mobilization. PIRON applies high qualitative and ethical standards in its fundraising support.

PUBLIC RELATIONS

How faith-based organizations, governments and businesses are communicating is a key success factor. Together with our clients we conceptualize tailor-made communication and public relation strategies. PIRON colleagues are listening carefully and trying to anticipate the needs, vision and mission of our clients.

PUBLIC AFFAIRS AND ADVOCACY

We support our clients in dealing with governmental and non-governmental actors and stakeholders. PIRON supports its clients in identifying tailor made advocacy strategies, develop interculturality and religiously sensitive political communication and offers speech writing.

EVENT MANAGEMENT, FACILITATION AND PRESENTATION

We support the planning and implementation of workshops and conferences, membership driven General Assemblies and campaigning. We facilitate design and implementation of team and human resource development. We are specialized in developing training materials and capacity building handouts.

PIRON assists in conceptualizing and technically implementing webinars and Mass Open Online Courses (MOOCs) on various platforms also to avoid traveling. We advise and support our clients in linking online and offline learning and exchange formats. We moderate and facilitate change processes of our clients.
