

ABOUT US

YOUR PARTNER IN WEST AFRICA

Companies and NGOs can do great things in international development. We offer a holistic service portfolio to help you be active in West Africa in a socially responsible way.

With an office in Accra and an extensive network of partners all over Sub-Saharan Africa, we are ready to share our insights of the local (business) environment and to help you settle.

Whether you plan market entrance, want to expand your activities or are looking for a suitable project partner: at PIRON we are ready to facilitate and represent your cause on the ground.
